ALUMNI CLASS

The members of our alumni classes are the core of the greater Loras community. The percentage of alumni that give financial support to Loras College is an indicator of alumni commitment to the College and is used by foundations when they consider awarding grants to Loras. We are deeply grateful to those alumni who have made contributions to Loras College during the 2011-12 fiscal year.

PARENTS OF CURRENT AND FORMER STUDENTS

Sending a child to a private college represents a financial sacrifice, and Loras appreciates the love and concern that motivates the parents of our students. We thank and honor the following parents, past and present, who have invested so generously in Loras College during the 2011-12 fiscal year.
